

SHORT BIO

Kwanza Jones is a catalyst... and an advisor, artist, investor, motivational speaker, and high-impact philanthropist. She lives by her personal motto: own your power, live your purpose, be of service.

Kwanza's life's work is to boost humans and humanity. She does this by creating culture, building community, and providing access to capital. Her tools... her mouth, her [money](#), her [motivation](#), her [moves](#), her [music](#)... but most importantly, her MINDSET.

Kwanza is the co-founder and CEO of the [Kwanza Jones & José E. Feliciano Initiative](#), a grantmaking and impact investment organization. She is also the founder of [SUPERCHARGED® by Kwanza Jones](#), your #1 source for self-improvement. Her membership community, content and app boosts your wealth, health, knowledge, and opportunities.

Kwanza is on a mission to boost a billion lives for the better, and she's well on her way. Think of her as your billionaire [#boostfriend](#).

With more than \$165 million committed to founders, fund managers, educational institutions, and empowerment organizations, Kwanza's got the receipts. She invests for impact: intentionally, but not exclusively, investing in POC and women.

Say hello to her inside the [Kwanza Jones Boost Friends™](#). Built by POC and allies... for all.
